

Mission

We will make efforts to help all of our customers achieve their “dreams” thereby contributing widely to society through providing the “Only One” technologies and the “Number One” products to the world bearing safety and reliability in mind in the medical and industrial equipment fields.

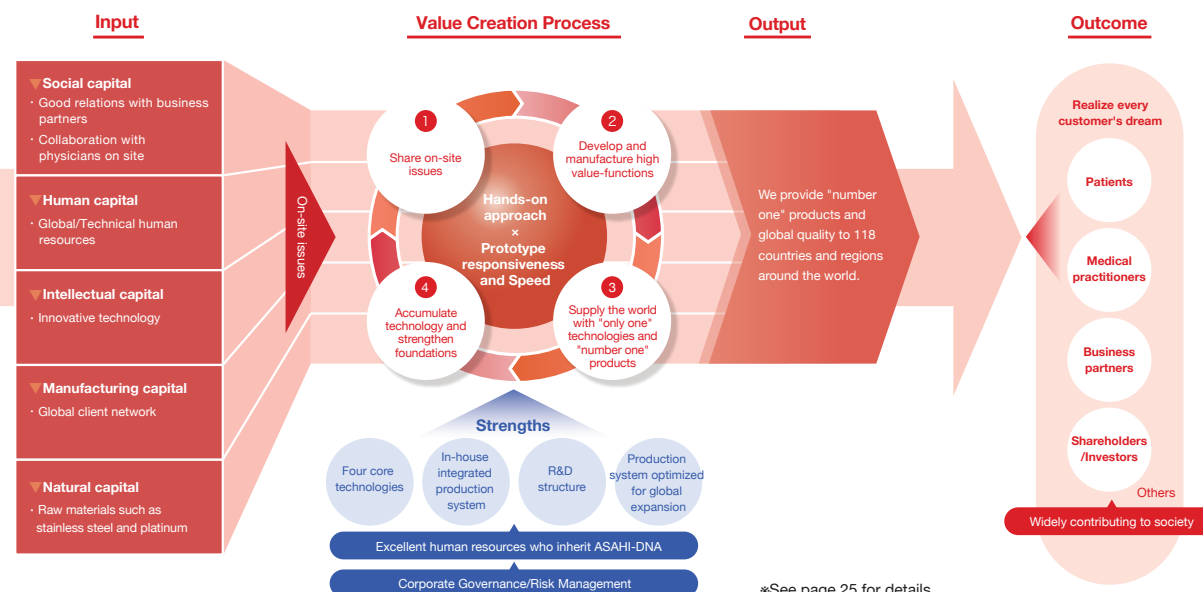

1. “Development of Technology” is vital for us, thus challenging to create new technologies and products.
2. Based on the “Customer First” motto, we provide our customers with the best quality products and services.
3. We seriously pursue “Good Results” while pursuing happiness for both the company and individuals.

Purpose

By continuing to challenge the needs of physicians and business partners around the world with our unique technologies, we will provide "number one" products of high added value with global quality and realize the dreams of customers around the world.

We aim to contribute to the sustainable development of society and remain a global niche-leading company by constantly looking at the global market and taking bold challenges.
